

2018 NEO SUMMER DAY CAMP

WHAT MAKES US UNIQUE

As new owners of the NEO Sports Plant, our goal in every youth program we do is to focus on having a structured fun environment. We go above and beyond with every detail to ensure our campers will not only have a great summer filled with sports, but also grow and develop many different skills throughout all our planned activities.

OUR FACILITY

Our facility has the ability to host numerous games, sports and events on our 4 indoor basketball courts, as well as let the kids pretend they are on the beach during a rainy day with our four INDOOR SAND volleyball courts.

We will have a fully functional kitchen on site for lunch orders for those mornings you just don't feel like packing a lunch, as well as a fully functional concession stand packed with healthy snacks and drinks for our campers.

OUR COUNSELORS

Our goal is to have our counselors not only be there for day to day structure, but to build friendships and relationships with each of our campers. Our counselors will focus on ensuring each camper is having the best experience possible each and every day. Each counselor will be fully trained in conflict mediation, risk management and will be CPR certified. We will try to never exceed an 8-1 ratio to ensure both a great experience and safe environment.

Note: Field Trips are not included in the \$100 weekly charge. Each week we will make sure you are aware of the upcoming trip and the costs. We try to keep them under \$20 which will cover busing, travel expenses, tickets and lunches. Some trips will be free.

DAILY SCHEDULE AND ACTIVITIES

Our camp will run daily 8:00 am thru 5:00 pm, Monday - Friday. We will always start our day off in one of our gyms with some table games and open crafts for the kids as they file in. Our counselors will greet every camper and make sure to be around in case you have any questions or concerns for that day's events. Once all accounted for our days activities will begin!

Each week we will be partaking in a new adventure! Whether it be focusing on our favorite animals prepping for the Zoo, or pretending we are our favorite super hero or princess as we get ready to see a play at Playhouse Square, we will always have a week filled with activities leading up to our field trip.

All that said, we will never shy away from what makes our camp great...SPORTS! Each day we will teach the kids the basics of that week's sport of the week! Fun, energetic games and skill building activities will teach our campers both skills and team work! Ample structured and monitored free play, craft time and board games will also be allotted each day to allow our campers the freedom to really focus on what they love most.

MEALS

Each camper will be responsible for packing their own lunch. We will provide each camper with two snacks per day, late morning and late afternoon. Our fully functional kitchen will have lunch options also available for no more than \$5. We will have lunches provided off site if you choose to have your child attend our weekly field trip.

TENTATIVE FIELD TRIPS AND OFF SITE TRIPS

Science Center * Cleveland Zoo * United Skates * Bowling * Aquarium * Squires Castle
